Friend I am happy with this, looks very professional.

I don't know what the normal fees are when it comes to health and safety.

How will we work between ourselves.

Once we have established, that, I will email the proposal through.

Awaiting your response.

Regards

Morning Zel,

My pleasure. I'm meeting with Katlego today, he was in Durban yesterday so we couldn't do much.

I'll see what we can compile as a proposal based on the information we have. If the information is not enough we'll get in touch with you.

The target is that by Monday the proposal will be completed for discussion between me and you before you send to the client. I trust this is in order.

Hey Salatiso,

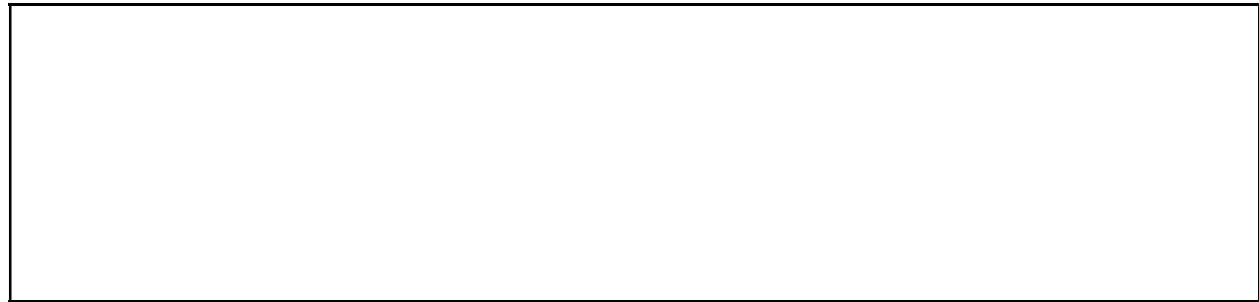

Thank you for coming through on such short notice.

As discussed, please compile an email with all the info needed from Brand IQ in order to provide them with a comprehensive proposal.

Let's also provide Derek with an hoc option as well as a retainer option to the proposal.

If you have any questions, email me, I am sure I will be able to advise.

Kind Regards
