Hi Salatiso

We are going away this weekend to Mafikeng so normal Sat visit won't happen.

You are welcome to have Lukhanyo during the week for 4hrs to make up for it. Except for Monday.

Good day

A weekday visit is not likely, so you'll have to come up with something else.

Last weekend when I dropped off Buggz there was an expectation I bring him in and I was with Solo. I hoped I had been very explicit in my affidavit that I will never come inside your premises again, lest you lie again and I have to waste my time in court.

When I bring or collect Buggz it is incumbent upon you to make sure he is out of the yard and in. While I might allow my family to come inside your premises it makes me feel uneasy, if you can lie against me you can lie against them and again I'll have to defend them, I'll win but my time will be wasted.

Regards,

Salatiso
